International eco-label

GREEN KEY

Is awarded to

Habita79 Pompeii

Green Key is an international eco-label for tourism and leisure establishments and is awarded to establishments that fulfil a list of environmental requirements. Obtaining Green Key demonstrates the responsibility of the establishment for its surroundings and society.

Green Key è un marchio di qualità ecologica internazionale per le strutture turistiche e del tempo libero che soddisfano un elenco di requisiti ambientali. Ottenere la certificazione Green Key dimostra la sostenibilità e la responsabilità ambientale della struttura turistica verso il territorio e la comunità.

Expires 16 December 2026
Certificate n. IT0406 – GK17699
